Tuesday 17 October - Flu Vaccine

In order to have the children from P1 to P7 vaccinated during the day that has been allocated by the immunisation team we are asking that all **P6 children** line up outside the Assembly Hall at 8.45am sharp.

Also, all **P7 children** will remain in school until 2.00pm on that day.

Mrs Monks' Literacy and Numeracy Boost Groups

I would like to remind parents of the importance of completing the family games and activities - please check bags - these are an essential part of this support programme.

The donations of shoes by the children at Lisnasharragh Primary School have been fantastic! These shoes will not only be appreciated but will transform the long walk for the children attending primary school at Bushfire – a special gift from one primary school child here to another school almost 5000 miles away! Thanks again for helping!

Reminder - After School Activities
